WORK EXPERIENCE

● IT ENGINEER

CG GLOBAL PROFASTEX MANUFACTURING SDN. BHD.   Feb 2023 - Present

- Fast learner and dedicated IT Engineer with experience managing various manufacturing equipment including printers, JUKI chip mounter, AOI, SPI, Smart Racking System, ERP/MES, and JTU/Reflow Oven.
- Trained in running the production line from start to finish, including JUKI setup and solder printer operation.
- Skilled in network and server management, computer maintenance, and troubleshooting.
- Passionate about programming and automation, creating innovative solutions to improve production efficiency.

● STORE ASSISTANT

CG GLOBAL PROFASTEX MANUFACTURING SDN. BHD.   Sep 2022 – Feb 2023

- Managed the Smart Racking System by stress-testing it, managing issues, and reporting to the IT Department or boss.
- Created two new projects for the company: CG MES and CG Inventory.
- Utilized .NET and VB.NET for both projects.

● STORE ASSISTANT – INTERNSHIP

CG GLOBAL PROFASTEX MANUFACTURING SDN. BHD.   Mar 2022 - Aug 2022

- Interned at CG Global Profastex Manufacturing Sdn. Bhd. for 6 months as a Store Assistance in the Electronic Materials department.
- Managed Material Transaction Forms, invoices, and delivery orders, and opened Good Receiving Notes.
- Created a project called Auto Generate GRN Form to automate and improve the manual process. Used Google Sheets and Google Docs , and JS for coding.
- Improved the workflow for the Electronic Materials department, making the process more efficient and reducing the time needed for manual tasks.

● EVENT ORGANIZER – PART TIMER

MOONTON GAMES   Jun 2019 - Present

- Organized mini-tournaments for the MLBB community as an Event Organizer at Community Heroes.
- Coordinated and executed 5 vs 5 tournaments in various districts.
- Promoted the event on social media and other marketing channels to attract participants and promote local businesses.
- Demonstrated strong communication skills, excellent time management abilities, and the ability to work in a flexible environment.
- Ensure a smooth and enjoyable experience for all participants.
